

Agenda

Time	Focus	Speaker(s)		
Welcome – Why are we here?				
9:00-9:10	Joseph T. Giacino, PhD			
	Project Director, Spaulding-Harvard TBI Model System			
	Director, Rehabilitation Neuropsychology, Spaulding Rehabilitation Hospital			
	Director, Spaulding Rehabilitation Network Disorders of Consciousness Program			
	Co-Director, Rehabilitation Outcomes Center at Spaulding			
	Professor, Department of Physical Medicine & Rehabilitation, Harvard Medical School			
	Donald Berwick, MD			
	President Emeritus & Senior Fellow, Institute for Healthcare Improvement			
	Chair, National Academy of Science, Engineering & Medicine, Committee on			
	Accelerating Progress in TBI Research and Care			
Part I: Background and Statement of the Problem (Moderator: J. Giacino)				
9:10-10:25	Statement of the problem and	tement of the problem and state of the science (15 min each)		
	Disabilities associated with	Flora Hammond, MD		
	severe TBI and unmet needs	Professor and Chair, Department of Physical Medicine		
		& Rehabilitation		
		Indiana University School of Medicine		
	Current knowledge of	Joseph T. Giacino, PhD		
	recovery trajectories and	Project Director, Spaulding-Harvard TBI Model System		
	outcome	Professor, Department of Physical Medicine &		
		Rehabilitation, Harvard Medical School		
	Inpatient rehabilitation aims	John Whyte, MD, PhD		
	and effectiveness	Institute Scientist Emeritus, Moss Rehabilitation		
		Research Institute		
	Overview of existing health	John Corrigan, PhD		
	service delivery pathways	Professor, Department of Physical Medicine &		
		Rehabilitation, The Ohio State University Wexner		
		Medical Center		
		Director, Ohio Brain Injury Program		

	CMS's 3-hour rule: Strength	Cynthia Beaulieu, PhD, ABPP-CN	
	of the evidence	Associate Professor – Clinical	
		Department of Physical Medicine & Rehabilitation	
		The Ohio State University College of Medicine	
10:25-10:40	Q&A	Chloe Slocum, MD, MPH	
		Director, Health Policy, Spaulding Rehabilitation,	
		Department of Physical Medicine & Rehabilitation	
10:40-11:00		Break	
11:00-11:30	NASEM TBI Roadmap Report on gaps and challenges in current TBI care and research		
	(15 min each) (Moderator: J. Giacino)		
	Purpose, scope and relevance	Donald Berwick, MD	
	to Summit	Chair, National Academy of Science, Engineering &	
		Medicine, Committee on Accelerating Progress in TBI	
		Research and Care	
	NASEM findings,	Geoffrey Manley, MD, PhD	
	recommendations and	Professor & Vice Chairman of Neurological Surgery	
	actions	University of California at San Francisco	
		Chief of Neurosurgery, Zuckerberg San Francisco	
		General Hospital, Co-Director, Brain & Spinal Injury	
		Center	
11:30-12:30	Real-world perspectives on fac		
11.30 12.30	History of post-acute care in	Anne Deutsch, RN, PhD, CRRN	
	the U.S.	Clinical Research Scientist, Shirley Ryan Ability Lab's	
	1116 0.3.	Center for Rehabilitation	
		Research Associate Professor, Department of Physical	
		Medicine & Rehabilitation, Feinberg School of	
		Medicine Medicine	
	Bioethics of care after severe	Joseph Fins, MD, MACP, FRCP	
	TBI	The E. William Davis, Jr., MD, Professor of Medical	
		Ethics & Professor of Medicine	
		Chief, Division of Medical Ethics, Weill Cornell Medical	
		College	
	Moderated discussion includin	g persons with lived experience	
	Moderator: Joseph Fins, MD, N	•	
	Perspective of a person with	Enrico Quilico, PhD, MA, BEd	
	lived experience	Postdoctoral Fellow, Baylor Scott & White Research	
		Institute	
	Perspective of a family	Maryam Mohit	
	caregiver	,	
	Perspective of an advocacy	Rick Willis	
	organization serving persons	President & CEO, Brain Injury Association of America	
	with severe TBI	Trestactic & CEO, Brain Injury 7 (3) Sociation of America	
12:30-1:30		Lunch	
12.30 1.30	Part II: Partnerships and	I Solutions (Moderator: J. Giacino)	
1:30-3:00 Successful clinical-scientific-government partnerships (15 min each)			
2.00 0.00	UK Rehabilitation Outcomes	Lynne Turner-Stokes, DM, FRCP, MBE	
	Collaborative (UKROCS)-(UK)	Northwick Park Professor of Rehabilitation Medicine,	
	Condocative (Oktoba)-(Ok)	King's College London	
		Director, Regional Hyper-acute Rehabilitation Unit,	
		Northwick Park Hospital, UK	
		I WOI CHIWICK FAIK HOSPILAI, OK	

EENnacoma, Knowledge Center for patients with PDOC (NED) Senior Researcher in Elderly Care Medicine, Lecturer & Program Leader, Department of Primary & Community Care, Radboud University Medical Center, Nijmegen, Netherlands Brain Injury CA-Canadian TBI Research Consortium (CA) Brain Injury CA-Canadian TBI Research Consortium (CA) Brain Injury CA-Canadian TBI Research Consortium (CA) International Initiative for TBI Research (InTBIR) Curing Coma Campaign (US) Curing Coma Campaign (US) Curing Coma Campaign (US) Claude Hemphill, MD, MAS Kenneth Rainin Endowed Chair in Neurocritical Care Professor of Neurology & Neurological Surgery University of California, San Francisco Chief, Neurology Service, Zuckerberg San Francisco General Hospital Co-Chair, Curing Coma Campaign Payor perspective: Paradigm for Healthcare (US) Michael Choo, MD, MBA, FACEP, FAAEM, CMRO Chief Medical Officer & Senior Vice President Workers' Compensation, Paradigm 3:00-3:40 Q&A Joseph Giacino, PhD Next Steps 1: Lavrijsen, MD, PhD Senior Researcher in Elderly Care Medicine, Lecturer & Professor & Department of Primary & Community Closing 3:50-4:00 Final remarks Joseph T. Giacino, PhD		1	T	
PDOC (NED) Program Leader, Department of Primary & Community Care, Radboud University Medical Center, Nijmegen, Netherlands Alexis Turgeon, MD, MSc Professor & Director of Research, Department of Anesthesiology & Critical Care Medicine Faculty of Medicine, Université Laval, Québec City, Québec, Canada Research (InTBIR) Research (InTBIR) Curing Coma Campaign (US) Curing Coma Campaign (US) Curing Coma Campaign (US) Curing Coma Campaign (US) Claude Hemphill, MD, MAS Kenneth Rainin Endowed Chair in Neurocritical Care Professor of Neurology & Neurological Surgery University of California, San Francisco Chief, Neurology Service, Zuckerberg San Francisco General Hospital Co-Chair, Curing Coma Campaign Payor perspective: Paradigm for Healthcare (US) Michael Choo, MD, MBA, FACEP, FAAEM, CMRO Chief Medical Officer & Senior Vice President Workers' Compensation, Paradigm 3:00-3:40 Q&A Joseph Giacino, PhD Next Steps Laura Brown, JD Director, Leavitt Partners, LL Closing		EENnacoma, Knowledge	J. Lavrijsen, MD, PhD	
Care, Radboud University Medical Center, Nijmegen, Netherlands Brain Injury CA-Canadian TBI Research Consortium (CA) Alexis Turgeon, MD, MSc Professor & Director of Research, Department of Anesthesiology & Critical Care Medicine Faculty of Medicine, Université Laval, Québec City, Québec, Canada Research Chair in Critical Care Neurology and Trauma Kathryn Hendrick Communications Claude Hemphill, MD, MAS Kenneth Rainin Endowed Chair in Neurocritical Care Professor of Neurology & Neurological Surgery University of California, San Francisco Chief, Neurology Service, Zuckerberg San Francisco General Hospital Co-Chair, Curing Coma Campaign Payor perspective: Paradigm for Healthcare (US) Michael Choo, MD, MBA, FACEP, FAAEM, CMRO Chief Medical Officer & Senior Vice President Workers' Compensation, Paradigm Joseph Giacino, PhD Next Steps 3:40-3:50 Leavitt Partners' TBI Workshop on the "3-hour rule" Closing			1	
Netherlands Brain Injury CA-Canadian TBI Research Consortium (CA) Professor & Director of Research, Department of Anesthesiology & Critical Care Medicine Faculty of Medicine, Université Laval, Québec City, Québec, Canada Research (InTBIR) Kathryn Hendrick Communications		PDOC (NED)	Program Leader, Department of Primary & Community	
Brain Injury CA-Canadian TBI Research Consortium (CA) Alexis Turgeon, MD, MSc Professor & Director of Research, Department of Anesthesiology & Critical Care Medicine Faculty of Medicine, Université Laval, Québec City, Québec, Canada Research Chair in Critical Care Neurology and Trauma Kathryn Hendrick Kathryn Hendrick Communications Curing Coma Campaign (US) Claude Hemphill, MD, MAS Kenneth Rainin Endowed Chair in Neurocritical Care Professor of Neurology & Neurological Surgery University of California, San Francisco Chief, Neurology Service, Zuckerberg San Francisco General Hospital Co-Chair, Curing Coma Campaign Payor perspective: Paradigm for Healthcare (US) Michael Choo, MD, MBA, FACEP, FAAEM, CMRO Chief Medical Officer & Senior Vice President Workers' Compensation, Paradigm 3:00-3:40 Q&A Joseph Giacino, PhD Next Steps 3:40-3:50 Leavitt Partners' TBI Workshop on the "3-hour rule" Closing			,
